It was mentioned that in the past the Striders provided chicken however due to our financial condition the board decided that we can not provide the chicken this year.
- Financial as of March 8, 2005 are: Cash \$247 and Savings \$501
- The board decided that any yahoo discussion group questions should be directed to Mike since he is maintaining the list.
- Peter is coming back sometime in March. It will be nice to see him again.
- Bill will contact the race director for the Muddy Buddy run to get some ideas on how to set up the Striders run and bike. As of today, there has been no feed back from members.

- Gayla will pay the Striders new PO Box dues of \$76.00 dollars for one year.
- Peggy will ask John S. or Charles R. about leading the Providian Relay for 2005. John S. has expressed interest in leading a marathon training group for 2005 and Don expressed interest in leading Tuesday night track workouts. We have yet to hear from them regarding the plans.

- Sat. announcements were discussed. Gayla will finish March. Bill will take April and May. Mike will take June and July. For those who have not fulfill their requirements, please offer a Sat. here and there.
- The board wants to promote some local runs and try to organize carpooling in order to attract some runners for these events. Example, the wharf to wharf would be a good race to carpool together with your fellow running pals.
- The board has decided to post a survey on the website regarding other activities other than running. For example, hike day – golf day – backpacking trip – kayaking – etc. The survey will be posted on the website for member participation and feedback. The board will discuss which activities will draw the most attentions and then proceed from there.
