4. Left over money from Tom's flight to go to Leukemia Lymphoma Society.

ACTION : Mike to draw a check for Leukemia/Lymphoma Society

5. Peter H. investigated **10k race run by Striders.** He feels that the costs and work involved outweighs the possible benefits (i.e. costs of using the parks, insurance etc.) Believes it may not be viable this year but doesn't think it should be dropped altogether.

6. INSURANCE - Gene RRCA (road runners club) have extensive and expensive insurance. They have general liability. Works out at about \$4.63 per household (ie about \$300 for \$175 for DNO. USATF membership comes with general liability insurance. Gene recommends we sign up for USATF and use their insurance.

ACTION: Check with Mike and make sure we are paid up with USATF.
Gene will look into DNO and get back to us next meeting.

ACTION: Bill will gather any material from Robin (past issues).
Peter H. will make sure Dennis article about Javelina goes into next newsletter (as it missed last issue). Next issue April/May.

8 Website Peter at present keeping it a bit up to date. Needs work to get it simplified. What to do with race results? Should we make great efforts to keep updating it? Bill suggests we have a clipboard on Saturday morning and the person who is doing announcements hands it around for folks on Saturday morning. Decided to try it.

9 Next month meeting. March 2nd

Tom offered to host again.
