Does the site ask what the members prefer-e-mail or snail?
(Answer: Yes)
- There is a SPAM problem-being worked on.

3) USATF

Club membership is \$71 plus each member pays something to join. We might want to consider joining because of the super-cheap insurance, but we have to have a coach. Penny might qualify for that.

Penny to check this out.

4) Western States Lottery

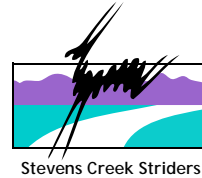

To be eligible for our lottery, they have to join the club before the WS drawing, and have to have been rejected by that lottery. We will use the same rules as last year, with active members getting more tickets for the hat.

Robin to put the rules on the web site.

5) Jean's Workshop (Silicon French)

We are invited.

Robin will mention on the website.

- 6) Kelly Kreuger
- 2016 Olympics bid for the Bay- wants to speak to the club. We suggested inviting her to speak to the combined Parc/SCS run on Saturday, provided she keeps it short.
