

Stevens Creek Striders  
Board Meeting  
March 10, 2004

**Present:** Peter, Charles, John, Mike and Gayla

**Absent:** Mark & Don

*Meeting called to order at 19:21*

**Old Business:**

1. Spring picnic permit is taken care of. Gayla was reimbursed for the purchase. Gayla will split up the attendee list alphabetically into three categories for members to bring a dish. Sign up sheet to pass around.
2. Charles and Gayla will do the March announcements. Don must have forgotten.
3. John reports financials: Checking \$500.51 and checking \$449.59. Mike submits his Kinko's receipt for reimbursement.
4. John will type up something special for his marathon training group for Peter to post on the web. All of John's marathon training people finished except for John himself due to a leg cramp. Zach had to pull out too due to dehydration. Results will be posted on web.
5. Charles was emailed by a realtor regarding posting their business offer. The board decided against it.
6. Peter will post the older newsletters on website for people to review to see what the club is all about.
7. Jean Pommier is our new captain for WS100 aid station. Marsha and Bob will help with transition. They still need help and we are to announce it at Sat. meetings.
8. John mentioned that we should start thinking about the Providian Relay. This year, we must have people pay in advance. The club will not pay.
9. Quicksilver is coming up soon and Marsha will start a sign up list. We must announce this at Sat. meetings too.

**New Business:**

1. We must start thinking about potential board members for the new year. Ballot forms will be made up soon.
2. Don will run the track workouts again in a few weeks. Apparently there has been a low turnout. Turnout should pick up again after the time change.

Next board meeting is set for April 8, 2004 at Charles' home.

*Meeting closed at 20:00*
