Big L Award Nomination Rules

1. There are 4 Awards:
 - Strider of the Year
 - Most improved
 - Best Athlete
 - Best Volunteer
2. Anybody may nominate any Strider for an Award.
3. All nominations are anonymous.
4. Nominations can be made on-line or at Saturday Club, or by this form.
5. The "Awards Committee" will meet in late November to discuss the nominations.
6. Only the President will read the nominations before the Award Meeting.
7. The Chairman of the Awards Committee will be either the President or a Board Member or Strider and is ineligible for an award. The Chairman reads the nominations, leads the discussion, conducts the ballot, and tallies the votes. The Chairman is the only person who knows to whom the awards are to be given.
8. A Strider may only win one award per year.
9. The "Awards Committee" vote is decisive and final.

Please email The Striders Board with your suggestions or concerns regarding the awards. It is the Board's wish that the Awards are given on merit and reflect the wishes of the members.
